I passed this email along to Bob Sallinger as he would be able to give you the most comprehensive account of the EIS. He is currently away from the office this week, but should be able to give you a call sometime today.

Hello, Micah,

I understand Bob S. is out this week. It would be great to have a chance to speak with you about the Cormorant DEIS. Could you give me a call as soon as it is convenient? I am the NEPA reviewer for this DEIS for US EPA, Region 10, Seattle.

Thank you so much!

Elaine
